Dear Mr. Evers:

This letter supplements my previous communications on December 7 and December 21, 2018, respectively regarding Case No. 1:18-CV-02423-RC in the United States District Court for the District of Columbia regarding your GSA FOIA requests (Nos. GSA-2018-001618 and GSA-2018-001619, respectively).

Previously on December 21, 2018, I sent you a notice that GSA had an additional 25 pages of responsive documents being withheld in their entirety based on the Presidential Communications Privilege. After a subsequent analysis of the documents, GSA is providing you with these additional responsive documents.

Please note that within these responsive communications, GSA has withheld:

- 1) Certain draft documents in their entirety as they represent the agency's deliberative process and the attachment to page 23 pursuant to the Presidential Communications Privilege per the 5th exemption to the FOIA, 5 U.S.C. § 552(b)(5);
- 2) Specific email addresses and employee cellular telephone numbers pursuant to both exemption 6, 5 U.S.C. § 552(b)(6) and exemption 7(C), 5 U.S.C. § 552(b)(7)(C) of the FOIA, because disclosure of the withheld material could reasonably be expected to constitute an unwarranted invasion of personal privacy; and
- 3) Information on page 6 pertaining to investigatory methodologies/ procedures by GSA's office of the Inspector General pursuant to the FOIA, 5 U.S.C. § 552(b)(7)(E).

Sincerely,

Travis Lewis

Office of Administrative Services
FOIA Requester Service Center

July 23, 2019

Mr. Hart Wood
American Oversight
1030 15th Street, NW
Suite B255
Washington, DC 20005

Dear Mr. Wood:

This letter supplements my letters dated December 7, 2018, December 21, 2018, March 15, 2019, and May 6, 2019 with respect to American Oversight's Freedom of Information Act (FOIA) requests to the U.S. General Services Administration (GSA) for certain records regarding communications pertaining to the FBI headquarters consolidation project (FOIA request Nos. GSA-2018-001618 and GSA-2018-001619, respectively). GSA previously provided you with all non-exempt responsive electronic records that were located. In an email dated June 13, 2019 from you to Peter Wechsler, American Oversight inquired whether there are any non-email records responsive to the FOIA requests. GSA conducted an additional search for any non-email records. Enclosed with this letter are two calendar entries, which are the only responsive non-email items that were located.

Here is a summary of the search terms used for searches in connection with the FOIA requests:

"trumporg.com" and "consolidat"
"trumporg.com" and "renovat"
"trumporg.com" and "demoli"

GSA interprets request no. 1619 as seeking records reflecting communications regarding the FBI HQ consolidation project and either the Trump Hotel or the Trump Organization. In an email dated June 17, 2019 from Hart Wood to Peter Wechsler, American Oversight proposed that that, for this FOIA request, GSA conduct an additional search, using the following search terms: ("Trump" or "POTUS" or "president" or "TIH" or "Old Post Office" or "OPO") and (("FBI" /25 ("headquarters" or "HQ" or "project")) or "JEH" or "Hoover Building"). After considering these suggested search terms, GSA rejected them because they would likely locate many records outside the subject matter of this request.

This completes action on your request, as GSA has now provided you with all agency records, which include a search of electronic records, paper records and calendar entries. Should you have questions, please contact GSA's litigation counsel in this case, Peter Wechsler.

Sincerely,

Travis Lewis
